Charging & Remissions Policy

1. Introduction

As legislated by the Education Reform Act 1988, the School Governors are required to determine and publish a charging and remissions policy.

2. Terms

Terms used in this policy are as those defined within the legislation.

3. School Hours

School hours are those when the School is actually in session. They do not include the mid-day break.

School hours are:

4. Principles

We are committed to a free school education for all.

We Aim to:-

- Ensure that education in school is free.
- Ensure that activities offered wholly or mainly during normal school teaching time should be available to all students regardless of their parents' ability or willingness to help meet the cost.
- Ensure that there is no statutory requirement to charge for any form of education but the school has the discretion to charge for optional activities provided wholly or mainly out of school hours.
- Ensure that the school has the right to invite voluntary contributions for the benefit of the school or in support of activities organised by the school, whether during or outside school hours.
- Ensure that students are not treated differently according to whether or not their parents / carers have made a voluntary contribution in response to the request or invitation.
