## Year 11 GCSE Exams, Study Leave & Exam Preparation Sessions

The following pages outline details for our Year 11 students of the exam preparations and study arrangements for the final few weeks of Year 11.

In an attempt to try and maximise opportunities for guided student revision and exam preparation, the Year 11 timetable will continue to operate for as long as is practically possible during the examination period. All students are expected to adhere to the guidance provided by continuing to attend all lessons as indicated through until **the end of Wednesday 14<sup>th</sup> June 2017.**

Where a subject has completed its course and its final exam has passed, teachers will be on hand to support students in the completion of revision for other exam subjects. Students must ensure that they attend all lessons through until the end of Wednesday 14<sup>th</sup> June and that they are equipped with suitable revision materials.

From Thursday 15<sup>th</sup> June 2017, the normal timetable will cease to operate due to the majority of GCSE examinations having been completed. **Only the lessons listed below will continue to be timetabled from this date.**

- **History:** *until Tuesday 20<sup>th</sup> June*
- **Film Studies:** *until Thursday 22<sup>nd</sup> June*
- **Biology, Chemistry and Physics (Triple Science):** *until Friday 23<sup>rd</sup> June*
- **ECDL**

Although students may wish to study at home from Thursday 15<sup>th</sup> June, we would encourage students to continue to attend their timetabled lessons, where possible, up until their final exam in order to gain the support and input of their subject teachers.

In order to further support students in their final preparations for exams we have also planned a series of exam preparation sessions, to complement our normal timetabled lessons, Additional Study Programme and Extra-Curricular Enrichment Programme, which we would encourage all students to attend.

The exam preparation sessions have been mainly timetabled to occur during the morning before an exam or just before lunch during Period 3 or 4, prior to the start of an afternoon exam. The intention is that the exam preparation sessions provide our students with a last boost of essential knowledge, and recap and refresh information that will hopefully be pertinent to the GCSE exam questions.

Attendance at all of the relevant additional exam preparation sessions by Year 11 students is highly recommended as a means of them reinforcing prior knowledge and learning, as well as them having opportunity to ask any last minute questions or seek points of clarification.

Year 11 students should therefore, attend the exam preparation sessions outlined on the next few pages (*as appropriate*) and attend all of their normal lessons and GCSE exams, up until the completion of their final exam of the summer (*see the separate 2017 Exam Timetable document, which is available on the School Website*).

Finally, I would like to wish all of our Year 11 students the very best of luck with their exams.

Mr I. R. Irwin  
Headteacher
