STOCKPORT SCHOOL

Headteacher Mr I. R. Irwin BA (Hons), MSc, NPQ

Date: 27/01/15

Dear Parent/Carer

Stockport School is proud of its working relationships with parents and carers. As a school we are highly committed to ensuring that all our pupils gain the best possible education, not only academically but in all areas of life. We believe that in order for this to be achieved we have to work closely with parents and carers, offering every opportunity to involve you as closely as possible.

The school has decided to work towards and achieve the Leading Parent Partnership Award over the next 15 months. This national award recognises and promotes effective communication and information between schools and parents and carers. This award looks at how well we work with parents and carers, how welcoming the school is, and how we support parents in helping their child to learn. We aim to improve communication with parents and the community, support parents/carers and children to extend their learning and to encourage a greater input and more involvement of parents in school life. You can find out more information about the LPPA via the website www.lppa.co.uk

This is a challenging award which will provide the school with a valuable school improvement plan as recognition for our commitment to working with parents. You can support this work by completing questionnaires and evaluations of events at school. There will be regular updates of our progress on our school website.

If you would like more information please feel free to contact me

Yours sincerely,

Mr P. Rough
Director of Progress Key Stage 3
