October 2019

Stockport School awarded the PTI Mark for outstanding teaching in Science and Modern Foreign Languages

Stockport School have been awarded The PTI Subject Leadership Mark for outstanding teaching in Science and Modern Foreign Languages.

The PTI launched the Subject Leadership Programme in 2007 to recognise and reward school departments that develop inspirational ideas and activities which enhance the teaching of Art, English, Geography, History, Latin, Mathematics, Modern Foreign Languages, Music and Science, regardless of their pupils' backgrounds or abilities.

The programme is run as a membership group for school departments that choose to commit to increasing the challenge of their subject provision.

Our Science and Modern Foreign Languages departments received the Mark in recognition of the highly effective work that they have each undertaken to demonstrate that they have increased the challenge within their subject curriculum, developed their staff's specialist subject knowledge, developed subject-based links outside school and enthused their pupils through subject-based activities beyond the curriculum in 2018/19.

We are delighted to have been awarded the PTI Mark for our Science and Modern Foreign Language department's innovative work, and will be proud to carry the Mark on our stationery and website as evidence of our commitment to inspirational teaching.

The PTI's Subject Leadership Programme is open to all state secondary schools in England. To become members, school departments must demonstrate their commitment to increasing teachers' subject knowledge, and to furthering their students' understanding of and enthusiasm for the subject, regardless of their background or ability.

To find out more about the Subject Leadership Programme, visit the [PTI website](http://www.pti.org.uk).

Yours sincerely

Mr I. R. Irwin
Headteacher

Our Stockport School community is **dedicated** to **inspiring respectful collaboration** in an **aspirational** learning culture!
