STOCKPORT SCHOOL

Headteacher Mr I. R. Irwin BA (Hons), MSc, NPQH, NPQEL

4th July 2024

Dear Parents/Carers,

I am writing to you to update you with relevant information as we approach the end of term and indeed the end of the academic year! I would also like to welcome with this letter, our new parents and carers whose children begin at Stockport School in September in Year 7. I hope you find the contents of this letter informative and useful.

As you will be aware we finish for the summer in just over two weeks, on **Friday 19th July**. Students will be dismissed at the earlier time of **12.00pm** on that day following our whole school House Cup Assembly and earlier lunch. Students are expected to attend in full school uniform through until the end of term.

Stockport School will re-open for the start of the autumn term in a staggered format in order to ensure that all students are provided with a supportive induction and transition programme upon their return. This will include two full days of induction and transition activities for our new Year 7 students. Our Year 11 students will also receive a full day of additional induction/transition day activities, before commencing with their formal timetable, as they will receive some important careers and post-16 guidance and advice sessions to help support them with their planning for the year ahead. Students in Years 8, 9 and 10 will also receive a focused part-day of initial induction and transition activities to help prepare them for a successful start to the new academic year.

For information, I have attached at the end of this letter a summary of the updated Tutor group lists, outlining Form Tutors and rooms for 2024/25. Please note that new Year 7 students will be advised and reminded of their new Tutor group upon arrival for their first Induction day in September.

****Please check the table, below, carefully for the exact date and time when your child is due to return in September as it will vary dependent upon which Year group your child is in, in order to accommodate the induction/transition activities.***

The return dates and times for all students are listed below, for your information and planning.

All other students across other Year groups, should also initially enter the school grounds on their first induction day back in September by one of the gates specified below for their Year group. It is important that all students arrive via the correct gate at the correct time.

Students will be required to access and leave the school premises via one of the following specified gates:

When arriving for their first induction day in September, students must immediately go direct, without mixing with other Year groups to congregate at their Tutor group Fire Evacuation lining-up point on one of the following Playground areas, where they will be greeted by staff and given further instruction.

2024/25 Term Dates

I have included with this letter, a copy of next year's Term Dates for the new academic year.

In relation to this, please could I remind you that **I am no longer allowed to authorise term time holidays for students**. Parents are therefore, advised to arrange any family holidays outside the published school term times, and also to try and arrange any necessary medical appointments for the end of the school day in order to avoid missing time off school.

***Please also see the additional information on attendance and punctuality below, which contains important notifications on new Government laws and expectations from September regarding unauthorised absence.**

Senior Prefect Team - Head Boy & Head Girl – 2024-25

I would like to give thanks to our 2023/24 Head Boy, **Sam Hardman**, and his Deputy, **Max Barley**, and to Head Girl, **Gwen Flint**, and her Deputy, **Mathilda Warren-O’Neill**. Thanks also go to the wider Senior Prefect Team for their outstanding contribution and commitment to the school this year, and we wish them all the very best for their futures.

In terms of appointing our new Head and Deputy Head Boys and Girls, it has been incredibly difficult to decide upon this year, due to the quality and strength of the shortlisted applicants. I am delighted to inform you however, that **Amber Stapley** has been appointed to the role of Head Girl, and **Thomas Godfrey** to the role of Head Boy for 2024/25. Amber and Thomas will be very ably supported in their roles by **Hollie Brookes** and **Abi Palamanokaran** as our two Deputy Head Girls, and **Harry Bickerton** and **Lucas Merle** as our two Deputy Head Boys.

The Head and Deputy Head Prefects will also be ably supported by **Poppie-Rae Hyde**, **Sophia Tresmaria**, **Ella Tunnicliffe**, **Darcie Anderson**, **Ava-Mai Everett**, **Leila Salimian**, **Edie May Shannon**, **Maya Meredith**, **Arthur Thompson**, **James Thorpe**, **Ethan Andrew**, and **Oliver Siedlich** as the first of our Senior Prefects. We are also currently in the process of finalising the remainder of the Senior Prefects, as well as the wider Prefect Team, in advance of them all beginning in their roles in September.

I would like to thank our outgoing team for their great commitment this year, and also congratulate the first of our newly appointed Senior Prefect Team members, and wish them well in their new leadership roles which I am confident that they will be hugely successful with.

Attendance & Punctuality

Our attendance target for all students is 100% (190 days attended from 190) and **we have a core expectation that all students achieve over 97% attendance.** It goes almost without saying that regular attendance is essential to progress and success and for that reason I would hope that you will support us from the start of term in helping your child to achieve well over 97% attendance next year.

I must also inform you of new stricter Government rules from September 2024, on attendance, where the law has been changed to address poor attendance and specifically unauthorised absence, where **increased Penalty Notice Fines are now expected to be issued for term-time leave (holidays or other unauthorised/unaccounted for absence) for where there are 10 x AM or PM sessions (5 days equivalent) missed during a 10-week period.** The increased fines amount to **£160 per parent, per child (or reduced to £80 if paid within 21 days) for a first offence, which is then increased to £160 per parent, per child without any reduction for a second offence within 3 years.** Please note that should there then be **a third or more offence within 3 years then it will be presented straight to a Magistrates' Court where fines can amount up to £2,500 per parent, per child, and with cases found guilty at the Magistrates Court can then show on a parents future DBS certificate, due to a failure to safeguard a child's education.**

Therefore, **I am no longer allowed to authorise term time holidays for students.** Parents are therefore, advised to **arrange any family holidays outside the published school term times,** in order to avoid your child being recorded as an unauthorised absence and at risk of the new Penalty Notice fines listed above.

Please also note that new government regulations state that **if students arrive after 9.10am (more than 30 minutes late) then they must be marked as an unauthorised absence for the full morning session.** It is essential therefore for their own educational benefit as well to avoid accumulating missed unauthorised sessions (as listed above), that students adopt good routines and **arrive on time by 8.40am for the start of Form time each morning** to potentially avoid being marked as an unauthorised absence.

All parents and carers are also reminded of the school policy upon requesting absence from school to attend medical or dental appointments during school hours. **Routine appointments should be avoided where possible during the school day, with appointments ideally arranged outside of school hours.** As you will be aware, the NHS in the past couple of years have extended their out of hours GP practice appointment times, and it is hoped that all parents and carers where possible, will seek to make use of those out of hours, and/or non-term time dates for routine appointments for their child. It is accepted that some non-routine, specialist treatments may not be bookable by appointment and may therefore, need additional consideration for leave during school hours.

Given the importance of safeguarding in relation to non-attendance, I wish to also advise that **if a student is off for two days or more, without suitable notification and evidence provided,** it is possible that a **home visit welfare check may be made** in the interests of safeguarding for the child.

Attendance is very important, and where students can attend school, they should, and we will then do all that we can in school to support them in their progress and development. **Every day matters and each day or part-day missed hinders progress!**

Uniform, Equipment & Appearance

As part of our continual drive to maintain high standards, I would once again from the start of term, like to request your full support as parents/carers. In particular, I would ask that **students wear their Stockport School uniform with pride at all times,** both in school and on the journey to and from school. Students should continue to wear their blazers, with shirts/blouses fully buttoned and tucked in to their waistband, with ties attached correctly at the collar (ties should be clip-on only). Shoes should be able to be polished as black leather, with no canvas material, trainers or boots permitted.

Students are also advised during the winter months to wear under layers such as vests or plain white T shirts under their school uniform, as well as being **strongly advised to purchase and wear the optional School jumper underneath their school blazer,** in order to ensure that they remain warm enough during the autumn and winter months. Coats should not be worn inside the school buildings.

Outdoor coats are an important addition to the full school uniform, and all students are advised to have a good warm, and if possible, waterproof coat (not hooded top or tracksuit which are not permitted), to wear, when outside, over their school blazer. This is particularly important as all students are required to go outside of the school buildings at break and lunchtime (unless it is extreme wet weather).

It is also essential in terms of preparation for success in school, that each child continues to bring in their own equipment (pens, pencils, ruler, rubber, calculator, subject materials and books etc.). If necessary, equipment like calculators can also be purchased from the school shop and via our online Wisepay system at cheaper prices than in supermarkets.

I would also like to remind all parents/carers that the following items are also not allowed in school:

- Students are not allowed to wear jewellery apart from a simple wrist watch (*smart or Apple watches are not allowed*)
- Body piercings are not allowed, apart from one small plain stud in each ear lobe.
- Hair styles and colours should not be extreme.
- Make-up and false eyelashes are not allowed and should not be worn.
- Acrylic / Gel nails are also not suitable for school and are not allowed.

Students are also reminded that if worn, skirts must be of a reasonable length and should not be too short above the knee. Unfortunately, earlier during the summer term, some students were beginning to breach this expectation by intentionally wearing their skirts inappropriately far too short by rolling the waist band up. This is not acceptable nor respectful of our high expectations as a school. If upon our return in September, any skirts are deemed to be too short and inappropriate for school then parents will be contacted and students may be isolated until they appear in appropriate school uniform.

Please could I ask you as parents/carers, to follow our uniform (including correct shoes) policy fully when purchasing any new items of uniform prior to September. The full uniform policy is available on our website www.stockportschool.net and also via the this hyperlink [School Uniform Guide A5 booklet.pdf \(stockportschool.net\)](#)

Please also note as a reminder to my previous letters and communications, that we will continue to enforce a strict no trainers rule whatsoever, with students ONLY permitted to wear traditional black shoes. Black training shoes of any type will not be permitted.

I would also like to remind parents that uniform and PE kit items can be purchased from all of our usual uniform suppliers (Davensport on Bramhall Lane in Davenport and Monkhouse near to the Bus Station in Stockport). All parents/carers are advised to shop early before the end of August for new uniform and shoes, in order to avoid queues (it may be that you have to book an appointment). All students, without exception, must wear full school uniform including tie, blazer and black polishable leather shoes upon their return in September.

For your information, Heads of Year, have a small supply of basic uniform items, including blazers, trousers, skirts, shirts/blouses, ties, and shoes for those students whom for whatever reason are struggling to obtain them for use in school, and students whom do not have them should see their Head of Year for support with this. Parents and carers are encouraged privately to contact your child's Head of Year should you need to for any support or advice with regards to these matters which will be addressed in a sensitive and supportive fashion.

Mobile Phones & Electronic Equipment

A particular distraction to learning that we have thankfully now almost eliminated, is that of mobile phones, earphones and electronic Apple/smart watches, and I would once again like to request your support in reminding your child that these items should be switched off and kept out of sight throughout the entire school day.

Electronic Apple/smart watches, due to exam regulations and general distraction, are not allowed whatsoever in school and therefore, should not be worn.

Students are however, allowed at their own risk, to bring in their mobile phones. They must however, **after 8.30am, be switched off and put away out of sight, and not be taken out, looked at, or used in any way whatsoever, until students have left the school building at the end of the normal school day and are about to make their way home for the evening**. Students who abuse this rule (including that of Apple/smart watches) will have the **item confiscated and stored safely for parents to collect**.

Parents are also reminded not to try to phone or message children on their mobile phones during the school day as this will likely result in their child's phone being confiscated. Please contact the School Office if you need to send an important and urgent message to your child during the school day.

**All parents/carers are advised in advance of this school rule and of the necessity for them (or another named adult) to collect confiscated items from the school office, and that we will not look to waver this ruling for individual students allowing them to collect their own confiscated equipment instead of parents/carers. It is important therefore, that students are also reminded at home of this expectation and rule, so that it does not risk causing upset or offence if requested and denied in the future.*

Bikes and Student Safety

Given the large numbers of students who cycle to school each day, I would again like to remind students and parents of the importance of bike safety and road awareness. There have been a number of reports this year of students riding bikes without taking due care and attention of the environment around them, sometimes causing concern to pedestrians and car drivers. In the interests of safety, I would ask that all students ensure that their bikes are roadworthy in terms of safety and that they show due consideration to other persons when riding to and from school in order to avoid an accident. We would also strongly advise the wearing of a helmet for additional safety in case of an accident – current students will be aware from assemblies this year of how wearing a helmet saved the life of one of our students who was involved in a serious accident near to school.

Students should also note, that all bicycles must be stored securely in our bike rack areas near to the Tennis Courts or Lake Street Gym. If students come to school on a bike, they must secure their bike with a lock in this area by no later than 8.35am. For health and safety reasons bikes cannot be left anywhere else on the school site, and will be removed if found.

**Please note that the school does not accept any responsibility for any damage or theft of bikes brought onto the school premises, and bikes are therefore, brought onto the premises at risk of the owner.*

Please could I also remind parents who drop-off or pick-up students from school, not to park on double yellow or zig-zag lines as not adhering to this puts our students and other passers-by at risk. By way of consideration and courtesy to our neighbouring residents, I would also ask that parents are considerate of where they park when dropping off or picking up their child from school, and we would ask that parents avoid blocking driveways or parking in such a way that restricts the flow of traffic around the school.

Examination Results

This year GCSE results will be published on Thursday, 22nd August, 2024. Students can receive their GCSE results from 10.00am on 22nd August. Staff will be on hand to issue students with their results and to congratulate them, as well as providing support, guidance and advice on the next steps for each child, as required. I look forward to the results day in August with great optimism.

Finally, I should like to thank in advance, all of our parents and carers for their magnificent support this year and wish everybody associated with Stockport School a relaxing and well-deserved summer break when it comes around.

Yours sincerely

Mr I. R. Irwin
Headteacher
