## Enrichment Programme

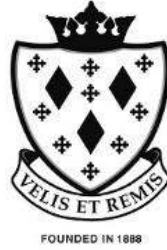

### Autumn Term 2024

**“The good range of popular enrichment activities adds significantly to students’ personal development and their good spiritual, moral, social and cultural development”.**

# Stockport School

At Stockport School we are committed to providing additional, enriching opportunities for students away from the classroom.

Enrichment is the opportunity for students to engage in the wider community and teach important life skills. We believe that by encouraging students to participate in extra activities, it can add greater value to their school experience and help them to develop essential skills for life; trying new experiences, building friendships, confidence and resilience and having fun too.

Enrichment and extra-curricular activities at Stockport School take many forms and are included within the structure of the school day as well as before school, after school and during lunchtimes. Within the curriculum timetable there is enrichment during Tutor Time at the start of the day, sports; both practice and fixtures throughout the year and a host of other calendared events and opportunities to participate in and become involved with.

To run alongside the extra-curricular activities, we also run a large number of revision workshops and a Homework support in order to support students with their academic studies.

There are also a wide variety of activities targeted at all year groups which run before school, after school and during lunchtimes.

## Enrichment Sessions

### Tutor Period Time

Our form tutors follow a rota which has designed to utilise the time which they are with their tutors to enhance their school life. Below is the rota which each year group follows on a weekly basis. Please be aware that this rota could be subject to change depending on planned activities for each year group.

## **The Duke of Edinburgh's Award**

The Duke of Edinburgh's International Award is a global non-formal education and learning framework which recognizes and celebrates young people's achievements outside of the classroom. The Award allows young people to determine what they are passionate about, regardless of their background, culture or access to resources. By creating opportunities for young people to develop skills, get physically active, give service and experience adventure, the Award can play a critical role in their development.

We will be starting the Duke of Edinburgh's Award with a new year 10 cohort in the Autumn term. Please see Mr Weibrecht-Wells for more details, or email them on

### Little Voices Duo Acting Lessons

The Drama Department hosts 30 minute paired acting lessons for Year 7s and 8s on Wednesdays during lesson times. They encourage and develop core life skills in confidence, vocal projection, handling nerves and anxiety and presentation skills. Students will work towards prestigious L.A.M.D.A. examinations, which are superb to study in their own right and also to support future drama experiences, whilst building their CV and acquiring additional accredited qualifications that can be counted in the UCAS tariff towards university and college. The lessons are very encouraging and confidence building. Details from Mrs Smith in the Simon Stephens Studio or email on [D.Smith1@stockport.stockport.sch.uk](mailto:D.Smith1@stockport.stockport.sch.uk).

## Music Lessons

At Stockport School we believe that music helps students to develop a passion for learning as well as discovering the art of practice, persistence and perseverance. We offer a wide and varied range of music lessons for our students in all year groups.

If you would your child to be involved then please contact Mrs Didcote on [r.didcote@stockport.stockport.sch.uk](mailto:r.didcote@stockport.stockport.sch.uk)

Name	Instrument	Day
Mr Lightwing	Woodwind	Monday
Miss Monaghan	Drums	Monday & Friday
Mrs Paton-Perry	Piano	Tuesday
Mr Luckhurst	Piano	Tuesday
Mr Smith	Guitar and Bass	Wednesday
Mrs Fallows	Strings	Wednesday
Mrs Williamson	Singing	Wednesday

Mr Gillbanks	Brass, Keyboard and Piano	Thursday

Prices for music lessons continue to be £50 for a half term, £100 for a full term and £300 to pay for the whole year in one go. They are 20 minute, individual lessons.

## Tech Club

Would you like the opportunity to learn about the backstage of a theatre? Our tech team, with Mr Grzywna, is where you will have the opportunity to learn how to understand the lighting, sound and stage aspects of the backstage, as well as learning how to control them for school shows, events and lessons.

## Economics Club

Economics is about people and their economic choices. This enrichment activity enables learners to appreciate we are all part of the economy and that economics relates to every aspect of our lives – from the decisions of individuals or families to the structures created by governments and producers. It will develop your understanding of how economic issues affect choices about resources and markets and vice versa. We will cover topics like demand, explore how the stock exchange works and complete project-based tasks to help develop your understanding of Economics! If you would like to take part, you will find the Economics club in N5.

## Caring For Baby Programme

This programme aims to help our students to realise what life as a parent is like and the amount of effort it takes to care for a baby. We have two RealCare babies for our students to take home on a Friday evening and experience being a parent for 24 hours. These computerised infant simulators need to be supervised by the students who are responsible for tending to the baby's needs, such as feeding, burping, rocking and changing the nappy.

If you are interested in signing your child up to the programme please contact Miss Upton on [c.upton@stockport.stockport.sch.uk](mailto:c.upton@stockport.stockport.sch.uk)

## LRC

Mrs Godrich has put together a new programme to help our students to utilise their time in the LRC, which differs from last term. Look out for the different activities which Mrs Godrich will be running in the coming term!
