

Stockport School

Enrichment Programme

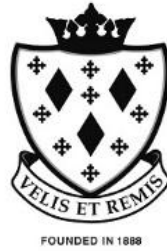

Summer Term 2026

“The good range of popular enrichment activities adds significantly to students’ personal development and their good spiritual, moral, social and cultural development”.

Stockport School

At Stockport School we are committed to providing additional, enriching opportunities for students away from the classroom.

Enrichment is the opportunity for students to engage in the wider community and teach important life skills. We believe that by encouraging students to participate in extra activities, it can add greater value to their school experience and help them to develop essential skills for life; trying new experiences, building friendships, confidence and resilience and having fun too.

Enrichment and extra-curricular activities at Stockport School take many forms and are included within the structure of the school day as well as before school, after school and during lunchtimes. Within the curriculum timetable there is enrichment during Tutor Time at the start of the day, sports; both practice and fixtures throughout the year and a host of other calendared events and opportunities to participate in and become involved with.

To run alongside the extra-curricular activities, we also run a large number of revision workshops and a Homework support in order to support students with their academic studies.

There are also a wide variety of activities targeted at all year groups which run before school, after school and during lunchtimes.

Character is important – a CV may get you the interview, but character will get you the job

The Duke of Edinburgh's Award

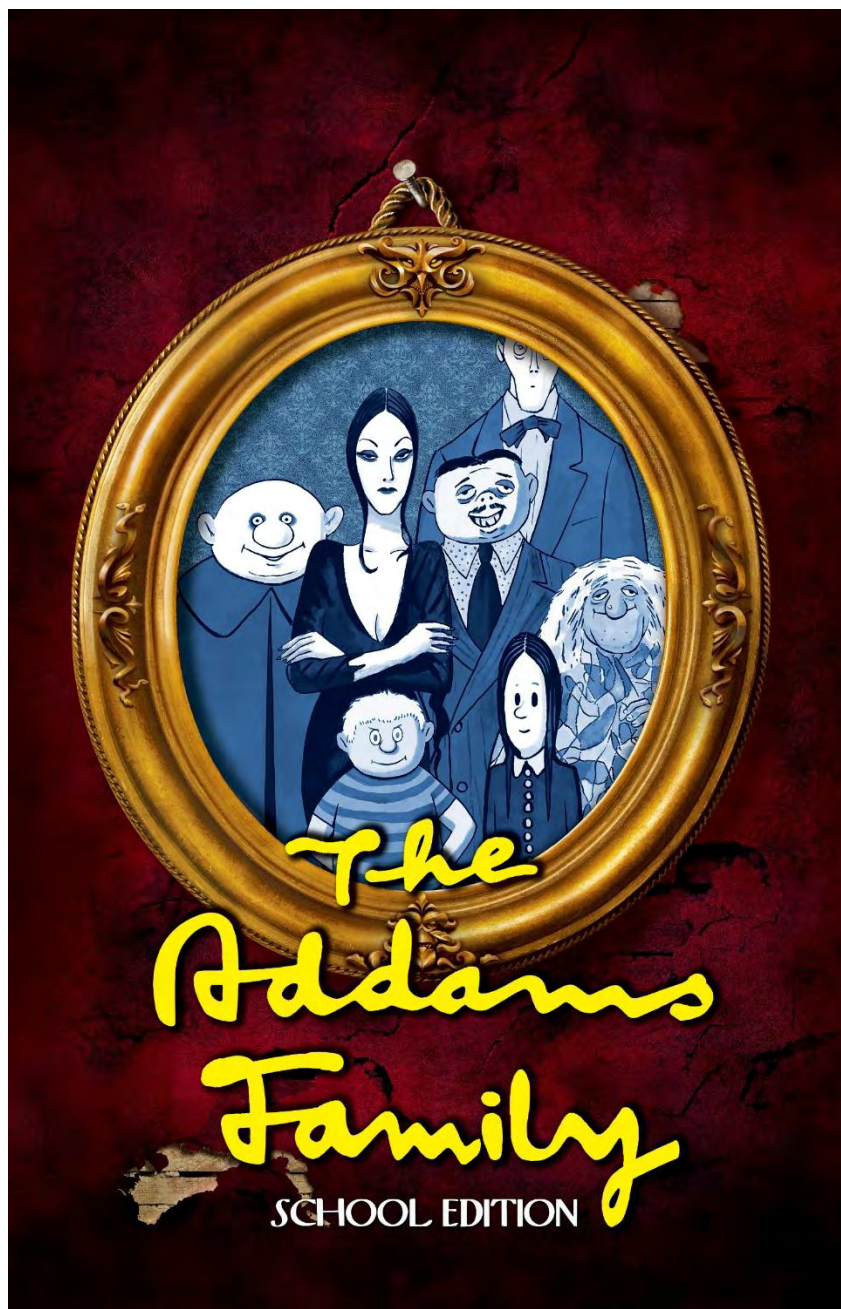

The Duke of Edinburgh's International Award is a global non-formal education and learning framework which recognizes and celebrates young people's achievements outside of the classroom. The Award allows young people to determine what they are passionate about, regardless of their background, culture or access to resources. By creating opportunities for young people to develop skills, get physically active, give service and experience adventure, the Award can play a critical role in their development.

We have started the Duke of Edinburgh's Award with a new year 10 cohort in the Autumn term. Please see Miss Seller for more details, or email on: DofEManager@stockport.stockport.sch.uk

As part of their DofE Bronze Award, Year 10 students are required to independently complete one hour a week in each of the following areas: physical, skills and volunteering. They have the opportunity to choose from a wide variety of projects and will need to upload evidence towards their qualification.

The students will also have an assessment of their expedition skills in July as they undertake the Qualifying Expedition under the watchful gaze of a DofE assessor. They will be planning, preparing and undertaking a route that takes them from Pear Mill in Stockport to Hayfield in the High Peak over the two days.

Stockport School Operatic and Dramatic Society

SSODS are PROUD to present that the Musical for October 2026 is The Addams Family. The rehearsal schedule for the summer term is below. There will be amendments to this which SSODS will send out on an ad hoc basis when needed:

School Show Dancing Ancestors	Friday	15:00-16:00

Music Lessons

At Stockport School we believe that music helps students to develop a passion for learning as well as discovering the art of practice, persistence and perseverance. We offer a wide and varied range of music lessons for our students in all year groups.

If you would your child to be involved, then please contact Mrs Didcote on r.didcote@stockport.stockport.sch.uk

Mrs Paton-Perry	Piano	Wednesday
Mrs Fallows	Strings	Wednesday
Mrs Williamson	Singing	Wednesday
Mr Smith	Guitar and Bass	Thursday

Prices for music lessons continue to be £50 for a half term, £100 for a full term and £300 to pay for the whole year in one go. They are 20 minute, individual lessons.

Tech Club

Would you like the opportunity to learn about the backstage of a theatre? Our tech team, with Mr Grzywna, is where you will have the opportunity to learn how to understand the lighting, sound and stage aspects of the backstage, as well as learning how to control them for school shows, events and lessons.

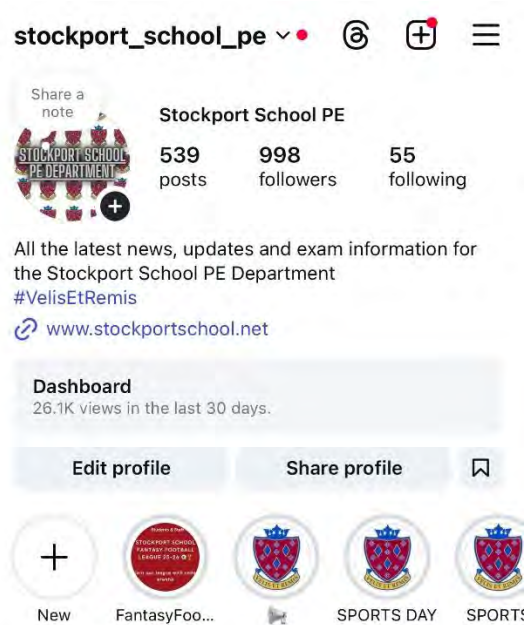

Little Voices Duo Acting Lessons

The Drama Department hosts 30 minute paired acting lessons for Year 7s and 8s on Wednesdays during lesson times. They encourage and develop core life skills in confidence, vocal projection, handling nerves and anxiety and presentation skills. Students will work towards prestigious L.A.M.D.A. examinations, which are superb to study in their own right and also to support future drama experiences, whilst building their CV and acquiring additional accredited qualifications that can be counted in the UCAS tariff towards university and college. The lessons are very encouraging and confidence building. Details from Mrs Smith in the Simon Stephens Studio or email on D.Smith1@stockport.stockport.sch.uk.
