Dear Colleague,

I would like to thank you for your interest in the post of **Teacher of Mathematics** at Stockport School.

This is an exciting opportunity for an ambitious and hardworking individual to join a successful school at an exciting time in its development. At Stockport School we are very proud of our broad and balanced curriculum offer and our community based inclusive ethos, which has over recent years, helped us to establish an excellent track record in terms of academic performance and achievement, placing us firmly, several times in recent years **within the top 10-15% of all schools nationally in terms of student progress and outcomes at GCSE.**

Stockport School continually seeks to instil a belief amongst our community in personal ambition, progress and achievement for all, aiming to be the best that we can be and outstanding in all areas. This is a challenge that we as a school, have evidentially risen to, with Ofsted recently judging the school as **'Better than Good'**, and stating in their findings that...

***"Senior leaders, including governors, lead the school well." The school is "well-run and oversubscribed" and "leaders have high expectations of their pupils". "Leaders aim to provide a first-rate and all-round education. They want to set pupils up for life."***

***"Pupils' life chances have been significantly improved, especially those of disadvantaged pupils, as a result of the school's relentless focus on high standards and its dedicated moral purpose. The school's motto 'Velis et Remis' – meaning 'with sails and oars' – aptly characterises the school's collective passion and determination to achieve its goals."***

***"... pupils are provided with high quality learning opportunities, which they enjoy and relish." "Teachers have high expectations of every pupil. Pupils rise to the challenge as a result. The most able, in particular, are on track to make even better progress than in previous years across many subjects because teachers aim high."***

***"Pastoral care is second to none."*** and

***"Pupils' behaviour in class and around the school is exemplary."***

Stockport School has also achieved continued success and recognition at a national and international level, receiving several high-profile awards across a range of areas for best practice that recognise the exceptional work that we undertake to support our students and ensure successful outcomes for our learners.

In addition, we have recently been recognised nationally, as runner-up at the prestigious **Goldsmiths National Community Awards**, and Stockport School was also a Finalist in the prestigious Manchester Evening News, **'Secondary School of the Year Award'**, and was the proud outright Winner of the Manchester Evening News, **'School in the Community Award'**.

In my role as Headteacher, I have also recently received a congratulatory letter from the Rt. Hon. Nick Gibb MP, former Minister of State for School Standards, which thanked and congratulated Stockport School, for its work in **"continuing the drive towards high standards of educational achievement!"** The letter also confirmed that Stockport School's results show that it is now **"amongst the top state-funded schools in England"**.

As the Headteacher of Stockport School, I am delighted to have received these recent accolades which are a great recognition of the terrific dedication and commitment to learning that our staff and students apply, and the ongoing support and investment that we receive from parents and from our governing body. I believe the school's success has been brought about by our high expectation and our relentless determination to provide quality of opportunity and bring out the best in all people. **"The culture of Stockport School is that of aspiration and improving the life chances for its students."**
