

STOCKPORT SCHOOL

Headteacher Mr I. R. Irwin BA (Hons), MSc, NPQH, NPQEL

9th July 2026

Dear Parents/Carers,

I am writing to you to update you with relevant information as we approach the end of term and indeed the end of the academic year! I would also like to welcome with this letter, our new parents and carers whose children begin at Stockport School in September in Year 7. I hope you find the contents of this letter informative and useful.

As you will be aware, we finish for the summer, next week, on **Friday 17th July**. Students will be dismissed at the earlier time of **12.20pm** on that day following our whole school House Cup Assembly and earlier lunch.

Temporary adaption and relaxations to uniform due to the very warm weather

Due to the warmer weather predictions which now continue into next week, we will continue to provide some temporary adaption and relaxations to our uniform expectations for students and staff through until the end of term.

Students will, therefore, not need to wear their blazers and ties in school until the end of term. However, all students must ensure that they wear the remainder of their usual school uniform, including shoes, and have their usual essential equipment, including pens, pencils, rulers, calculators, and PE Kit (which must be brought in for PE lessons).

- For boys, instead of wearing long black trousers, they will once again have the option of wearing school branded PE shorts or plain black formal wear shorts with their normal white school shirt and black leather school shoes.
- For girls they continue to have the option of wearing either long black school trousers or a skirt with their white school shirt and black leather school shoes.

Students are also advised to bring a refillable water bottle in with them to keep them hydrated, which can be refilled before school, at break, and during lunchtime (not during lesson time). Students are also strongly advised to apply sun cream before coming to school to protect their skin when outside at social times, and during PE lessons. Shaded areas and outdoor canopy cover is available for students to use during breaktimes should they wish.

The only exception, to the temporary relaxation of uniform due to the current very warm weather, will be on Thursday 16th July, when we have our Annual Key Stage 3 Sports Day event. Students in Years 7-9 will on that day, be required to come ready dressed in their school PE kit. Please see further details on this event, later in my letter.

Our 'Perfect 10' attendance promotion running through until the end of term

All students are again reminded of our **'Perfect 10'** promotion, where students who have had 10 days of full punctual attendance from Monday 6th July through until Friday 17th July, will receive a special commendation certificate in recognition of this, and on the final day of term, for all those students who have achieved a 'Perfect 10' will be entered for our random end of term prize draw, where 10 lucky students will receive a £10.00 lunch credit to their account, and a further 2 students from each Form group, will be randomly selected to receive a £5.00 lunch credit to their school account for use in September.

Team rewards are also available for the best overall Form groups, where the best attending Form in each Year group over the 10 days, will receive early lunch passes for a full week in September, and for any Form group who achieves a 'Perfect 10' attendance of 100% for all students in their Form, they will also all receive an invite to a special Pizza party in September. So even if your child has already had an absence during this period, they can still support their Form group in seeking to win a prize by attending every day from now through until the end of term.

Final week of term arrangements

Prior to Friday 17th July, during the final week of term, there are three important things for you and your child to be aware of, and I have outlined a summary reminder of these for you below:

1. Parents & Form Tutor End of Year Review Meetings (Years 7-10)

On **Monday 13th July**, our **Parents & Form Tutor End of Year Review Meetings** will take place between **3.30pm – 6.00pm**, via **virtual on-line appointments**, where we invite parents/carers of students in Years 7-10 to book an on-line appointment in advance via our Firefly system. Each student and their parent/carer will be able to access one on-line appointment time of **5 minutes duration** with their Form Tutor.

During the on-line meeting, Year 7-10 parents/carers (and your child) will have opportunity to review your child's progress from the past year, and you will be able to make use of the very latest Assessment Point 3 Grade Card information which we will issue to you as parents/carers in advance. The aim of the consultation is to allow time for discussion between you as parents/carers and your child's Form Tutor, around general engagement with school, including their behaviour, effort, progress and wider development. The consultation will also allow time for you as parents/carers to ask questions, and together with the school, to try and outline and agree aims and targets for next year.

2. The Final Week – A continuation of Teaching & Learning and details of Year 10 Work Experience

During the final week of term, whilst **all normal timetabled teaching and learning arrangements will remain in place for all Year groups**, almost all our Year 10 students will not be present in school for the week as they will be on **Work Experience** placements. However, any individual student in Year 10 who has not arranged Work Experience will be expected to attend school and all their timetabled taught lessons as normal for the week. All Year 10 teachers/subject departments will continue to plan and deliver curriculum lessons and record attendance for those few individual students that remain present.

3. Sports Day

On **Thursday 16th July**, we will operate a shortened day with an earlier finish time for all students of **2.00pm**, to allow for our **Annual Key Stage 3 Sports Day** event to take place. Students in Years 7-9 will participate in our Sports Day event which will take place on the front school field. **All Year 7-9 students will be required to come ready dressed in their school PE kit on that day, and ideally to bring with them a pre-filled water bottle. Students are also strongly advised to have applied sunscreen in advance.**

The few remaining Year 10 students who are not involved in Work Experience, will also be expected to attend through until 2.00pm on this day, but will not be active sporting participants in Sports Day. **As students in Year 10, will be non-participants in Sports Day activities, they are required to wear school uniform on that day, (with the temporary adaptations as outlined).**

Arrangements for the start of the 2026-27 Academic Year from September

Stockport School will re-open for the start of the autumn term in a staggered format to ensure that all students are provided with a supportive induction and transition programme upon their return. This will include two full days of induction and transition activities for our new Year 7 students, beginning for them only, on Wednesday 2nd September from 11.20am.

Our Year 11 students will also receive a full day of additional induction/transition day activities, before commencing with their formal timetable, as they will receive some important careers and post-16 guidance and advice sessions to help support them with their planning for the year ahead. Students in Years 8, 9 & 10 will also receive a focused part-day of initial induction & transition activities to help prepare them for a successful start to the new academic year on Thursday 3rd September.

The **annual individual school photographs** will also take place for all students during the Induction Day on **Thursday 3rd September**.

For information, I have attached at the end of this letter a summary of the updated Tutor group lists, outlining Form Tutors and rooms for 2026/27. Please note that new Year 7 students will be advised and reminded of their new Tutor group upon arrival for their first Induction Day in September.

****Please check the table, over the page, carefully for the exact date and time when your child is due to return in September as it will vary dependent upon which Year group your child is in, to accommodate the induction/transition activities.***

The return dates and times for all students are listed below, for your information and planning.

<u>Return Date</u>	<u>Groups Involved</u>	<u>Activity and Start Times</u>
Tuesday 1st September	Staff Only	Staff Inset Day (Training)
Wednesday 2nd September (Year 7 Induction Day)	Year 7 Only	Induction Day 1, 11.20am – 3.00pm
Thursday 3rd September (Staggered Start Induction Day for all Year groups)	Year 7	Induction and Transition Activity Day 2, 8.40am – 3.50pm
	Year 11	Induction Day and Careers Guidance Day 1, 8.40am – 3.50pm
	Year 10	Induction Day 1 and Early Entry GCSE Focus, 10.30am – 3.50pm
	Years 8 & 9	Induction Day 1, 11.20am – 3.50pm
Friday 4th September (Start of Full Teaching Timetable for all Year groups)	All Students	All Students across all Year groups return full-time for the start of the normal teaching timetable from 8.40am

New Year 7 students should arrive via the Mile End Lane pedestrian gate and then congregate on the tennis courts upon arrival on their first day from **11.20am** on Wednesday 2nd September. Parents and carers must not come onto school premises with their child.

All other students across other Year groups, should also initially enter the school grounds on their first induction day back in September by one of the gates specified below for their Year group. It is important that all students arrive via the correct gate at the correct time.

Students will be required to access and leave the school premises via one of the following specified gates:

<u>Gate</u>	<u>Year Group</u>	
Mile End Pedestrian Gate (single gate)	Year 7	
Lake Street Gate (double width gate)	Year 8	Year 9
Sandhurst Road Gate (double width gate)	Year 10	Year 11

Students arriving on bicycles, must enter/exit via the same gate specified for their Year group, above. Students must disembark their bikes and then walk and push their bikes across the school to and from the cycle compound to the appropriate gate.

When arriving for their first induction day in September, students must immediately go direct, without mixing with other Year groups to congregate at their Tutor group Fire Evacuation lining-up point on one of the following Playground areas, where they will be greeted by staff and given further instruction.

<u>Year Group</u>	<u>Induction Date & Arrival Time</u>	<u>Entry Gate</u>	<u>Congregation Point</u>
Year 7	Wednesday 2nd September 11.20am	Mile End Gate	Year 7 Fire Evacuation Tutor Group Lining-up Point on the Small Tennis Courts
Year 8	Thursday 3rd September 11.20am	Lake Street Gate	Year 8 Fire Evacuation Tutor Group Lining-up Point on the Large Tennis Courts
Year 9	Thursday 3rd September 11.20am	Lake Street Gate	Year 9 Fire Evacuation Tutor Group Lining-up Point on the Large Tennis Courts
Year 10	Thursday 3rd September 10.30am	Sandhurst Road Gate	Year 10 Fire Evacuation Tutor Group Lining-up Point on the Lake Street Gym Playground in front of the Canopy
Year 11	Thursday 3rd September 8.40am	Sandhurst Road Gate	Year 11 Fire Evacuation Tutor Group Lining-up Point on the Lake Street Gym Playground near to the Sports Cage

2026/27 Term Dates

I have included with this letter, a copy of next year's Term Dates for the new academic year.

In relation to this, please could I remind you that **I am no longer allowed to authorise term time holidays for students**. Parents are therefore, advised to arrange any family holidays outside the published school term times, and to try and arrange any necessary medical appointments for the end of the school day to avoid missing time off school.

***Please also see the additional information on attendance and punctuality on the following page, which contains important notifications on Government laws and expectations from September regarding unauthorised absence and lateness to school.**

Staffing Changes

As ever, there will be several changes to the staffing for the start of next year, and there are a few members of staff who will be leaving Stockport School at the end of this term for pastures new or to enjoy retirement; they include:

<u>Staff Leavers and Retirees</u>			
<u>Name</u>	<u>Department</u>	<u>Length of Service</u>	<u>Destination</u>
Miss Ward	Academic Mentor - Maths	8 months	Beginning Teaching at another school
Miss Roberts	SEND Learning Support Assistant	10 months	Further Training Qualification
Miss Stiles	SEND Learning Support Assistant	1 year	Further Training Qualification
Miss McNish	SEND Learning Support Assistant	1 year	Further Training Qualification
Mrs Ali	Assistant Director of Maths	2 years	Moving to a new school
Mr Whitehead	Premises & Community Hire Manager	3 years	Retirement
Ms. Gardler	Director of Food & Nutrition	6 years, 7 months	Retirement
Miss Ormerod	Associate Assistant Head	12 years	Promotion to Assistant Head at another school

I should like to thank all our staff leavers for their excellent contribution to Stockport School and wish them every success in the future.

New Staff - External Appointments

In terms of staffing appointments, I am delighted to inform you that we have been able to attract and recruit a number of fantastic new teaching and support staff members for September, all of whom are very highly qualified and skilled in their particular areas. I am confident that they will each make a great contribution to our successful school. The staff listed below will join us in September.

<u>New Starters</u>	
Mr Sanchez	Director of Inclusion – Associate Assistant Headteacher
Mr Brailey	Director of Food & Nutrition
Mr Hodgson	Teacher of Mathematics
Miss Malcolm	Teacher of English
Miss J. Watson	Teacher of PE
Miss Bradbury	Teacher of Art & Design
Mr Roberts	Learning Support Assistant

I should like to take this opportunity to congratulate all our new members of staff on their appointment to the staff of Stockport School and to wish them well in their new roles, I am confident that they will only further strengthen us as we continue to move forward and grow as a school.

Senior Prefect Team - Head Boy, Head Girl & Deputies – 2026-27

I would like to give thanks to our 2025/26 Head Boy, **Dylan C**, and his two Deputies, **Ethan C** and **Jamie C**, and to Head Girl, **Cora E**, and her two Deputies, **Poppy N-H** and **Artemis R**. Thanks also go to the wider Senior Prefect Team for their outstanding contribution and commitment to the school this year, and we wish them all the very best for their futures.

In terms of appointing our new Head and Deputy Head Boys and Girls, it has been incredibly difficult to decide upon this year, due to the quality and strength of the shortlisted applicants. I am delighted to inform you however, that **Lauren McG** has been appointed to the role of Head Girl, and **Luca S** to the role of Head Boy for 2026/27. Lauren and Luca will be very ably supported in their roles by **Imogen U** and **Imogen G** as our two Deputy Head Girls, and **Abe A** and **Louie B** as our two Deputy Head Boys. The Head and Deputy Head Prefects will also be ably supported by a very strong team of Senior Prefects and other Prefects.

I would like to thank our outgoing team for their great commitment this year and congratulate our newly appointed Prefect Team members and wish them well in their new leadership roles which I am confident that they will be hugely successful with.

Attendance & Punctuality

Our attendance target for all students is 100% (190 days attended from 190) and **we have a core expectation that all students achieve over 97% attendance.** It goes almost without saying that regular attendance is essential to progress and success and I would hope that you will support us from the start of term in helping your child to achieve well over 97% attendance next year.

I must also inform you of where the law has been changed to address poor attendance, lateness to school, and unauthorised absence, where **Penalty Notice Fines are now expected to be issued for term-time leave for where there are 10 x AM or PM sessions (5 days equivalent) missed during a 10-week period.** The fines amount to **£160 per parent, per child (or reduced to £80 if paid within 21 days) for a first offence, which is then increased to £160 per parent, per child without any reduction for a second offence within 3 years.** Please note that should there then be **a third or more offence within 3 years then it will be presented to a Magistrates' Court where fines can amount up to £2,500 per parent, per child,** and with cases found guilty at the Magistrates Court can then show on a parent's future DBS certificate, due to a failure to safeguard a child's education.

I am no longer allowed to authorise term time holidays for students. Parents are therefore, advised to arrange any family holidays outside the published school term times, to avoid your child being recorded as an unauthorised absence and at risk of the Penalty Notice fines listed above.

Please also note that **if students arrive after 9.00am then they will be marked as an unauthorised absence for the full morning session.** It is essential therefore, for their own educational benefit as well to avoid accumulating missed unauthorised sessions and potential expensive fines (as listed above), that students adopt good routines and arrive in school for 8.30am and promptly at Form time by 8.40am each morning to potentially avoid being marked as an unauthorised absence.

All parents and carers are also reminded of the school policy upon requesting absence from school to attend medical or dental appointments during school hours. **Routine medical and dental appointments should be avoided where possible during the school day, with appointments ideally arranged outside of school hours.** It is accepted that some non-routine, specialist treatments may not be bookable by appointment & may therefore, need additional consideration for leave during school hours.

Given the importance of safeguarding in relation to non-attendance, I wish to also advise that if a student is off for two days or more, without suitable notification and evidence provided, it is possible that a **home visit welfare check may be made** in the interests of safeguarding for the child.

Attendance is very important, and where students can attend school, they should, and we will then do all that we can in school to support them in their progress and development. **Every day matters and each day or part-day missed hinders progress!**

Uniform, Equipment & Appearance

As part of our continual drive to maintain high standards and our 'PROUD' values including our 'Ready to Learn' ethos, I would once again from the start of term, like to request your full support as parents/carers.

In particular, I would ask that **students wear their Stockport School uniform with pride at all times,** both in school and on the journey to and from school. Students should continue to wear their blazers, with shirts/blouses fully buttoned and tucked in to their waistband, with ties attached correctly at the collar (ties should be clip-on only). Shoes should be able to be polished as black leather, with no canvas material, trainers or boots permitted.

Students are also advised during the winter months to wear under layers such as vests or plain white T shirts under their school uniform, as well as being strongly advised to purchase and wear the optional School jumper underneath their school blazer, to ensure that they remain warm enough during the autumn and winter months. Coats should not be worn inside the school buildings.

Outdoor coats are an important addition to the full school uniform, and all students are advised to have a good warm, and if possible, waterproof coat (not hooded top or tracksuit which are not permitted), to wear, when outside, over their school blazer. This is particularly important as all students are required to go outside of the school buildings at break and lunchtime (unless it is extreme wet weather).

From the start of the 2026/27 academic year, all students are also required to **bring a suitable school bag to school each day.** This supports 'The Stockport School Way' and our commitment to ensuring that all students are 'Ready to Learn'. A suitable school bag helps students stay organised and ensures they arrive fully prepared for every lesson. It is also essential in terms of

preparation for success in school, that each child continues to bring in their own equipment (pens, pencils, ruler, rubber, scientific calculator, subject materials and books etc.). If necessary, equipment like scientific calculators can also be purchased from the school shop and via our online Wisepay system at cheaper prices than in supermarkets.

I would also like to remind all parents/carers that the following items are also not allowed in school:

- Students are not allowed to wear jewellery apart from a simple wristwatch (*smart or Apple watches are not allowed*)
- Body piercings are not allowed, apart from one small plain stud in each ear lobe.
- Hair styles and colours should not be extreme, with only natural hair colouring permitted, and without any partial or full highlighting of any kind.
- Make-up and false eyelashes are not allowed and should not be worn.
- Nail varnish, false nails/extensions, BIAB/Acrylic or Gel nails are also not suitable for school and are not allowed.
- Students must not wear additional badges or attach items to their uniform which do not directly link to school.

Students are also reminded that if worn, skirts must not be rolled up at the waist and must be of a reasonable length just above or below the knee. Skirts should also be worn with accompanying black tights. Unfortunately, earlier during the summer term, some students were beginning to breach this expectation by intentionally wearing their skirts inappropriately far too short by rolling the waist band up. This is not acceptable nor respectful of our high expectations as a school. If upon our return in September, any skirts are deemed to be too short and inappropriate for school then parents will be contacted, and students may be isolated until they appear in appropriate school uniform.

Please could I ask you as parents/carers, to follow our uniform (including correct shoes) policy fully when purchasing any new items of uniform prior to September. The full uniform policy is available on our website [Stockport School](#) and also via the this hyperlink [School Information – Stockport School](#)

Please also note as a reminder to my previous letters and communications, that we will continue to enforce a strict no trainers rule whatsoever, with students ONLY permitted to wear traditional black shoes or plain black leather Nike Air Force One shoes. Black or coloured training shoes of any other type will not be permitted.

I would also like to remind parents that uniform and PE kit items can be purchased from all our usual uniform suppliers ([Davenport](#) on Bramhall Lane in Davenport and [Monkhouse](#) near to the Bus Station in Stockport). All parents/carers are advised to shop early before the end of August for new uniform and shoes, to avoid queues (it may be that you have to book an appointment). All students, without exception, must wear full school uniform including tie, blazer and black polishable leather shoes upon their return in September.

In support of our high standards and expectations, if any non-permitted appearance related issues arise which flout our clear uniform, equipment, and appearance policy, including for example, hair colouring, make-up, nails, piercings, trainers, or indeed if skirts are deemed to be too short and inappropriate for school then parents will be contacted, and if no reasonable action is taken, students may then be internally isolated until they appear in appropriate school uniform and/or their appearance is resolved in line with our policy.

For your information, Heads of Year, have a small supply of basic uniform items, including blazers, trousers, skirts, shirts/blouses, ties, and shoes for those students whom for whatever reason are struggling to obtain them for use in school, and students who do not have them should see their Head of Year for support with this. Parents and carers are encouraged privately to contact your child's Head of Year should you need to for any support or advice with regards to these matters which will be addressed in a sensitive and supportive fashion.

Mobile Phones & Electronic Equipment

A particular distraction to learning that we have thankfully now almost eliminated, is that of mobile phones, earphones and electronic Apple/smart watches, and I would once again like to request your support in reminding your child that these items should be switched off and kept out of sight throughout the entire school day. This is also now a government expectation.

Electronic Apple/smart watches, due to exam regulations and general distraction, are not allowed whatsoever in school and therefore, should not be worn.

Students are however, allowed at their own risk, to bring in their mobile phones. They must however, **after 8.20am, be switched off and put away out of sight, and not be taken out, looked at, or used in any way whatsoever, from when students enter through the gate in the morning until they have left the school building at the end of the normal school day and are about to**

make their way home for the evening. Students who abuse this rule (including that of Apple/smart watches) will have the **item confiscated and stored safely for parents to collect.**

Parents are also reminded not to try to phone or message children on their mobile phones during the school day as this will likely result in their child's phone being confiscated. Please contact the School Office if you need to send an important and urgent message to your child during the school day.

**All parents/carers are advised in advance of this school rule and of the necessity for them (or another named adult) to collect confiscated items from the school office, and that we will not look to waiver this ruling for individual students allowing them to collect their own confiscated equipment instead of parents/carers. It is important therefore, that students are also reminded at home of this expectation and rule, so that it does not risk causing upset or offence if requested and denied in the future.*

Bikes and Student Safety

Given the large numbers of students who cycle to school each day, I would again like to remind students and parents of the importance of bike safety and road awareness. There have been several reports this year of students riding bikes without taking due care and attention of the environment around them, sometimes causing concern to pedestrians and car drivers. In the interests of safety, I would ask that all students ensure that their bikes are roadworthy in terms of safety and that they show due consideration to other persons when riding to and from school to avoid an accident. We would also strongly advise the wearing of a helmet for additional safety in case of an accident – current students will be aware from assemblies of how wearing a helmet saved the life of one of our students who was involved in a serious accident near to school.

In the past, some students, on occasion, sought to bring very expensive electric bikes and/or scooters onto the school premises, which unfortunately drew some unwanted attention from youths in the locality, and we have also had reports of students having their electric bikes and scooters stolen when riding around in the community. There is also an additional danger to the use and storage of electric bikes on and around our busy school community, and as such, **students are banned from bringing electric bikes or scooters onto the school premises.** Students who abuse this rule will have the electric bike/scooter confiscated and stored safely for parents to collect following a meeting with a Senior Leader or Head of Year.

Students should also note that all bicycles must be stored securely in our bike rack areas near to the Tennis Courts or Lake Street Gym. If students come to school on a bike, they must secure their bike with a lock in this area by no later than 8.35am. For health and safety reasons bikes cannot be left anywhere else on the school site and will be removed if found.

**Please note that the school does not accept any responsibility for any damage or theft of bikes brought onto the school premises, and bikes are therefore, brought onto the premises at risk of the owner.*

Please could I also remind parents who drop-off or pick-up students from school, not to park on double yellow or zig-zag lines as not adhering to this puts our students and other passers-by at risk. By way of consideration and courtesy to our neighbouring residents, I would also ask that parents are considerate of where they park when dropping off or picking up their child from school, and we would ask that parents avoid blocking driveways or parking in such a way that restricts the flow of traffic around the school.

Examination Results

This year GCSE results will be published on Thursday, 20th August 2026. Students in Year 11 can receive their GCSE results from 10.00am on 20th August, and our current Year 10 students who have completed their first early entry examinations this year, can collect their results from the Sports Hall from 11.30am through until 12pm midday on 20th August. Students must enter the premises via the Mile End pedestrian gate before making their way direct to the Sports Hall. Staff will be on hand to issue students with their results and to congratulate them, as well as providing support, guidance and advice on the next steps for each child, as required. I look forward to the results day in August with great optimism.

Finally, I should like to thank in advance, all our parents and carers for their magnificent support this year and wish everybody associated with Stockport School a relaxing and well-deserved summer break when it comes around.

Yours sincerely

Mr I. R. Irwin
Headteacher
