

Stockport School

Dear Colleague,

I would like to thank you for your interest in the post of **Learning Support Assistant** at Stockport School.

This is an exciting opportunity for an ambitious and hardworking individual to join a successful school at an exciting time in its development. At Stockport School we are very proud of our broad and balanced curriculum offer and our community based inclusive ethos, which has over recent years, helped us to establish an excellent track record in terms of academic performance and achievement, placing us **within the top 15-20% of all schools nationally in terms of student progress outcomes at GCSE.**

Stockport School continually seeks to instil a belief amongst our community in personal ambition, progress and achievement for all, aiming to be the best that we can be and outstanding in all areas. This is a challenge that we as a school, have evidentially risen to, with Ofsted recently judging the school as **'Better than Good'**, and stating in their findings that...

"Senior leaders, including governors, lead the school well." The school is "well-run and oversubscribed" and "leaders have high expectations of their pupils". "Leaders aim to provide a first-rate and all-round education. They want to set pupils up for life."

"Pupils' life chances have been significantly improved, especially those of disadvantaged pupils, as a result of the school's relentless focus on high standards and its dedicated moral purpose. The school's motto 'Velis et Remis' – meaning 'with sails and oars' – aptly characterises the school's collective passion and determination to achieve its goals."

"... pupils are provided with high quality learning opportunities, which they enjoy and relish." "Teachers have high expectations of every pupil. Pupils rise to the challenge as a result. The most able, in particular, are on track to make even better progress than in previous years across many subjects because teachers aim high."

"Pastoral care is second to none." and

"Pupils' behaviour in class and around the school is exemplary."

Ofsted

As a school we work hard to achieve positive outcomes and do so by having clear values and by investing in our community. We are also proud to be recognised as an **Investors in People organisation**, with IIP noting that the school is delivering continuous improvement and sustainable success, stating that:

"Across the whole school, from the senior leadership team through the managers to the staff, there was a culture of continuous improvement being driven".
